LANDING 1

Georges Road

Georges Road Vineyard produce some of NZ's finest Syrah and Pinot Gris, as well as their perennial customer favourite, Rosé. A commitment to meticulous viticulture and traditional winemaking techniques shines through in every glass.

"We believe in winemaking with a natural touch, a guiding hand in the cellar, to be as hands off as possible. The best wines come from the best fruit, so the vineyard is vital. In the winery, balance is the key, the interplay between sweetness, acidity, oak and tannin, fruit and palate weight. We want our wines to be delicate, elegant, food friendly and, above all, enjoyable."

LANDING 2
